

Winterle Sportsmanship Trophy

The Trophy is intended to recognize the member who best displays the qualities of “Good Sportsmanship”. Criteria of good sportsmanship shall include, but not limited to: honesty, respect for rules, respect for others, fair play, cooperation, competitive spirit, sacrifice for the benefit of the Club or members, and winning without boasting and losing without excuses. The Trophy is not intended to be a popularity contest though this does not preclude popular members. Title to the Trophy remains in the name of the donor, Joe Winterle, or his heirs. It will be displayed in the club house if practical. If not, it may be kept in the possession of the awardee until awarded again.

If you have not done so, take time now to cast your ballot for one of your fellow club members, and plan on joining us at the Annual Awards Banquet to celebrate with the Winterle Trophy winner.

ABYC Perpetual Trophy/ Awards

The history and description of the following awards are in the *Handbook*. In brief,

Anne Sherwood Memorial Trophy is awarded to the first spinnaker fleet racing in the Stephen C. Smith Regatta.

Cock of the Walk Trophy has seen some fun and not so fun races. One of the most interesting was one in Hobie 14s on a light air day where the weight of the skipper was the determining factor.

Dan Harbolt Memorial Trophy is for the first place non-spinnaker boat in the Stephen C. Smith Regatta. When we had two race days, the winner worked hard for this trophy.

Homer Denius Award was established by Homer Denius to recognize **the ABYC boat** which has participated in the most races, cruises and other on-the-water activities during the past year. The award is presented by the current holder. One year, the award went to a powerboat that had been very active in ABYC water activities.

Kate C. Morgan Race for Dinghies is awarded annually to the winner of the spring and fall dinghy series.

Kokopelli Dream Achievement Award

This periodic award was first established and presented by Russell and Lee Chubb in 2002, to recognize Jon Brandt's 1-2 Bermuda race. Jon designed and modified "Kokopelli", a 30 foot Olson. It is a recognition of not only having a dream but working to

make the dream a reality.

Murphy – St. Patrick's Day Regatta is for the first place boat in ABYC's St. Patrick's Day Regatta.

Rubber Chicken Award was started when a sailboat's mast became hung in the branches of a tree on the St. Marks River. Slides were shown of the event and the award presented. The current holder of the award is always on the lookout for the next recipient.

Silent Sailor Award is to recognize the club member who has made a significant contribution to the Club during the past year, and has gone about the task(s) quietly and without fanfare.

Stephen C. Smith Memorial Trophy is presented by the Board of Directors of the Stephen C. Smith Annual Memorial Regatta at the conclusion of the Regatta.

Will Glenn Memorial Frostbite Trophy is awarded to the first place Puffin in the ABYC Will Glenn Memorial Frostbite Regatta for dinghies held on New Year's Day of each year.

Winterle Award is described on the previous page.

Other Awards

In the past, gag awards have also been presented to recognize certain aspects of human behavior.

The **Insufferable Victor (IV)** recognition has not been presented in some time (we are all humble winners?).

The **Short Stick** to recognize someone who has modified their boat to improve its performance with no positive results is also on the shoals.

Then, there was the **Non-combatant Award** to recognize someone who started races and never seemed to finish them.

The reverse of the IV award was the **Espirit de Corps Award** that was given to the person(s) who exhibit camaraderie, a desire for a good time, and work to involve others in their endeavor.

A gag award, **the Start-Line Equalizer**, a plastic base-ball bat to be use at starts to remove competitors who do not follow the "rules of the road" has also vanished.
